July - December/Julie - Desember 1985

SUBJECT INDEX/OPGAWE VAN ONDERWERPE

Α		Angiography, Localization of parathyroid		Blood transfusion services?, Anti-HTLV-III	
		adenomas by digital subtraction	967	testing — a practical solution for	92
Abdominale aorta-aneurisme in bejaarde		Antenatal ultrasonographic detection of the		BOEKBESPREKINGS (sien 'BOOK	
pasiënte	321	Holt-Oram syndrome, The	313	REVIEWS')	
Abdominal lymphoma	510	Antimicrobials in elective colorectal and		BOOK REVIEWS/BOEKBESPREKINGS	
Abortion among the black population, The		biliary surgery, Prophylactic	387	55, 356, 437, 694, 827,	90
role of Brucella abortus in spontaneous	379	Aorta-aneurisme in bejaarde pasiënte, Abdo-		Bowel and other vasculitides, Radiation	504
Abortion — an indicator of complications due		minale	321	Bowel diseases - past history and future	
to illegal abortion, The incidence of major		Aorta-vena cava fistula detected with radio-		prospects, Diet and	148
abdominal surgery after septic	799	nuclide angiocardiography, Traumatic	489	Bowel syndrome - a study from private prac-	
Abscess of the spleen, Solitary	46	Appendisitis, Die seisoensvoorkoms van akute	156	tice, The irritable	39
'Active birth' in present-day obstetric prac-		Arthritis, Comparison of isoxicam and		Brain abscess in children due to Streptococcus	
tice, The place of	473	naproxen in patients with rheumatoid	232	milleri	679
Actinomadura pelletieri mycetoma from the		Arthritis, Peritonitis in juvenile chronic	605	Breast cancer in women of different racial	
Transvaal	416	Asphyxia, A comparison of two resuscitators		groups in South Africa, Clinical patterns of	
Adenocarcinoma, Micro-angiopathic haemo-		in the management of birth	19	presentation of	806
lytic anaemia and an unusual lactate dehy-		Aspiration of oral contents in Parkinson's		Breast-milk of Cape Town mothers, Zinc and	-
drogenase iso-enzyme pattern in metastatic	611	disease	344	copper levels in the	403
Adenomas by digital subtraction angiography,	0	Aspirin therapy and platelet function, Long-	344	BRIEWERUBRIEK (sien 'CORRESPON-	80.
Localization of parathyroid	967	term ultra-low-dose	307	DENCE')	
Adolescents, Self-destructive behaviour in	792	Asthma, Inhalation therapy during	381	Brucella abortus in spontaneous abortion	
AIDS and related complex	139	Atrial myxoma in a 13-month-old infant, Left	261	among the black population, The role of	379
AIDS and related complex - infection	139	AUDIOVISUAL MEDIA/OUDIO-	201	Buflomedil on behaviour, memory, and intel-	31
	843			bullomedii on benaviour, memory, and inter-	
control	043	VISUELE MEDIA		lectual capacity in patients with dementia,	300
AIDS, Isolation of a lymphadenopathy-asso-		College of Medicine of South Africa: Audio-	000	Effect of	30.
ciated virus from a patient with	144	visual Education Unit 281, 772, 829,	900	Button-battery ingestion - a hazard of	0.0
AIDS — its implications for South African		Autopsy assessment of liver lacerations	180	modern living	86
homosexuals and the mediating role of the		Axillofemoral bypass	559		
medical practitioner	327				
Allotransplantation since the advent of cyclo-		•		_	
sporin, Organ	930			C	
Amoebic liver abscess complicated by pericar-		В			
dial extension, Conservative management of	189	Late I was a second and a second according to			
AMPTELIKE AANKONDIGINGS (sien		Bee venom allergy - current status, Desensi-		Caesarean section pregnancies, The value of	
'OFFICIAL ANNOUNCEMENTS')		tization of patients with	853	X-ray pelvimetry in previous	40
Anaemia and an unusual lactate dehydro-		Beta-thalassaemia, Chorionic villus sampling		Cancer, Gonadotrophin-releasing hormone	
genase iso-enzyme pattern in metastatic		for first-trimester diagnosis of	672	and analogue agonists — a new approach in	
adenocarcinoma, Micro-angiopathic haemo-		Beriberi heart disease	263	advanced prostatic	88
lytic	611	Beriberi with severe lactic acidosis, Acute		Cancer in women of different racial groups in	
Anaesthesia and the diabetic patient	872	pernicious or fulminating	817	South Africa, Clinical patterns of presenta-	
Anaesthetic management of a difficult intuba-		Bile reflux, The effect of cholecystectomy on .	235	tion of breast	80
tion	414	Bilirubinaemia, Threshold for initiation of		Cancer mortality rates in South Africa, 1949 -	
Anaesthesia, The use of the Samson modifica-		phototherapy in infants with non-haemolytic		1979, The changing pattern of	
tion of the Mapleson 'A' circuit during		hyper	153	Cancer of the cervix	31
blind nasal intubation for	171	Blindness and eclampsia, Temporary	677	Cape cobra (Naja nivea) bites, Clinical mani-	
Anaphylaxis due to suxamethonium?	601	Blood products with anti-HBs, Safer blood -		festations of	34
Aneurysm - a rare complication of acute		supplementation of	295	Captopril once daily in patients with essential	
osteomyelitis in a child, Mycotic	609	Blood transfusion, Mismatched	260	hypertension and hyperuricaemia	64
		•			

Carcinoma at Tygerberg Hospital, 1979 - 1983, Gastric	949	Anorexia nervosa, Endogenous opioid system involvement in	454	Health, politics and hospitals	777 839
Cardiac involvement in mixed connective tissue disease	680	Appendisitis, Die seisoensvoorkoms van akute	783	Heart, Diet and the	211
